

# THE IAIN STAMP TROPHY

Having lost Iain in 2024 ESC ran a memorial event quite soon in his honour last Year.

The BSSA Committee believe it right to inaugurate an annual end of season event in honour of Iain's

"Always being there" refereeing a whole bunch of us regularly on different grounds.

In Collaboration with English Skeet Club kindly by Johnny Walker & keeping it simple

A Skeet Shoot for all,

100 targets = 50 English + 50 NSSA (American)

We hope this will interest you.

Iain was one of a kind, knowledgeable, friendly and a font of knowledge, he had a knack of finding related gear, from it turns out, a personal hoard of bits & bobs plus a huge Vinyl Record Collection!!

Newly Commissioned Perpetual Trophies, Gentleman & Lady High Gun are in manufacture.

The trophies are a tad different they will need to be returned each year for engraving by BSSA.

The previous winners do get to keep a part of the Trophy but what bit?

Prize monies will remain in class.

High Gun £200.00

Should any Sponsors wish to assist please advise soonest.

**Known ability rules for classes across both Disciplines apply – we really don't want any issues.**

This is NOT a registered Shoot. Just Skeet Shooters saying a thank you for "Stampy".
